On Wednesday nights all the college students are invited to participate in a class especially for you in the Christian Activity Center (the CAC is the smaller of the two metal buildings in our parking lot).

During the semester we will be looking in scripture at those who faced *New Beginnings* and how they allowed God to lead them. Come prepared to think and discuss. This class is a great way to deepen your relationship with God.

Jude is one of the most neglected letters in all of scripture. Have you ever studied Jude, just Jude, *for an entire quarter*? Probably not, but don't worry, this little letter is packed with insights that will strengthen your faith and encourage your daily walk with God.

Room #114

This class for **adults of mixed ages** is for those who want to establish their family on God's foundation.

Parables that Keep You Up at Night

Jesus frequently communicated with stories, analogies, and metaphors. He used familiar things to communicate unfamiliar life-altering ideas. This class will be comprised of a group of people who want to really wrestle with the parables of Jesus. Each week we will discuss a new parable, possible interpretations, and the provocative implications for life. The goal is not simply to learn about the parables but to be changed by them. Discussion, disagreement, and deep-seeded spiritual conversation is welcome.

Room #114

This class for **adults of all ages** is a great opportunity to go deeper.

Taught by Jeff Brown

Skyline Praise Team

Each week the Skyline praise team will meet for prayer, sharing and encouragement, as well as discussion of both worship and living the Jesus life. And of course, the group will be singing.

Room # 214

This class is for all who have been **gifted** by God to sing and are **committed** to serving on the **team**.

Led by Jeff Howell

The Singing Class

Room #110

This class for **adults of mixed ages** sings hymns utilizing "Church Gospel Songs and Hymns." This class, a Skyline fixture for years, is for those who love to sing old favorites.
