Dear Ty & Rachel,

Each year in November the Skyline church family takes a Sunday to thank God for how he has blessed our lives through the babies he has given us over the past year. You are invited to be a part of this special day, Sunday evening, November 22 at our 5 p.m. assembly. We will take time to thank God for each of our new babies including your precious gift, Camryn.

We want you to feel free to invite family or special friends to join you for this evening.

We will have a special section for the families, enabling them to sit together. Please sit at the front of the auditorium in the specially marked sections.

We ask you to write a short blessing for your baby which one of our elders will read during our assembly.

We also need a picture of your little one. You can email a digital photo or bring in to the office on a disc. If not, please bring a photo to the office and we will scan it and use in the PowerPoint presentation. We will make sure to return your photo to you.

We look forward to celebrating your precious gift from God.

Please contact me by email (loureneclark@skylinechurch.com) or phone (668-5185) and let me know if you are willing to participate. We will need the photo and blessing by Sunday, November 15.

God bless your family!

Lourene Clark
Ministry Assistant
