

The Parents Pledge

We believe God created this new life in partnership with us.

We believe God has entrusted the care of our child to us.

We believe being a godly parent is the highest calling to which we may aspire.

We believe God is the perfect parent to His children.

We ask God to help us love, understand, and train our children.

We ask God to give us calm strength and patient wisdom.

We pledge to teach and show our children how to live by faith.

We pledge to teach and show our children how to follow our Lord Jesus Christ.
Amen.

The Church Pledge

We will do everything within our power
to help you protect and nurture your children.

We will uphold them with our love
and help you teach them
the Word of God.

When they fail, we will encourage
them to try again.

When they achieve worthwhile goals,
we will rejoice with you
and join you in praising them.

We will be careful not to bruise
their tender spirits
with harsh words or criticisms.

We will do our best
to let them see Jesus in us,
so help us God.
Amen.
